Dear Mr. Vehr:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-11 CFR §102.5 prohibits a non-federal account from making a contribution to a federal committee. The Commission notes the transfer from your federal account to your non-federal account for the impermissible contribution to the Committee to Elect Steven J. Chabot. Although the Commission may take further legal action concerning the impermissible contribution, your prompt action in correcting the violation will be taken into consideration.

Any amendment or clarification should be filed with the Federal Election Commission. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,
